Notice to all Customers

It is the responsibility of the homeowners in caring for and maintaining Architectural Inc. dba Amighini Steel products. You may be required to perform periodic maintenance in order to keep your Architectural Inc. dba Amighini product in good condition and appearance. Periodic maintenance is not part of your Architectural Inc. dba

Amighini Steel Windows warranty. Environmental conditions in your area such as coastal applications, and overhang protection will dictate how much maintenance your products will require. Maintenance may include restoring exterior finish or paint and lubricating hinges.

In coastal applications and harsh environments, Architectural Inc. dba Amighini Steel Windows recommends quarterly inspections and maintenance. Salt and other corrosive or abrasive substances must not be allowed to build up on exterior surfaces. These inspections and product maintenance are NOT covered under the Architectural Inc. dba Amighini product warranty.

Failure to comply with the [required periodic maintenance](#) of the product will nullify this warranty.
